| <b>Description</b>   |                                    |
| We are trying to export XSD model to xsd-file, xsd-file is not created and we don't see any errors on normal logfile (modelio.log).Is there any way to force log file? |                                    |
